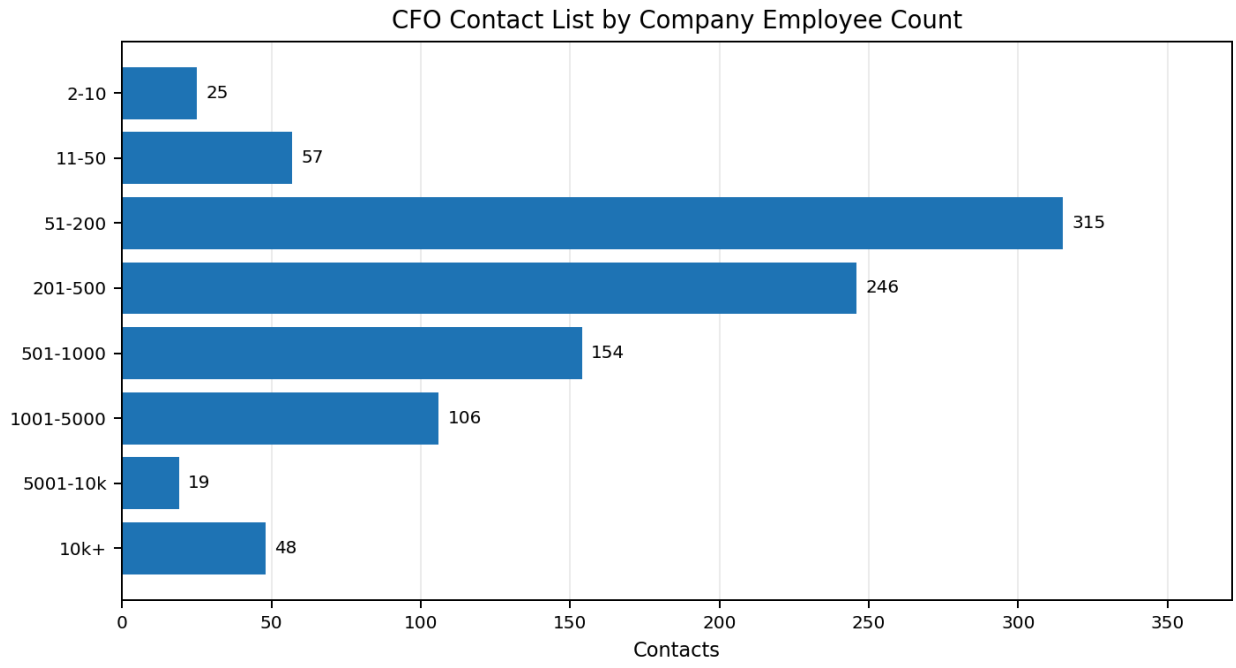
CFO AI Advisors

This profile summarizes the current CFO AI Advisors contact list, which serves as the broader audience pool for Round Table invitations and potential sponsor promotions. Contact-list size represents potential promotional reach; it does not guarantee email delivery, engagement, registrations, or event attendance.

970 CFO contact records	**20** Industry categories, including unknown/not provided	**8** Company-size ranges represented

Company Size



The largest employee-size segments are 51–200 employees (315 contacts) and 201–500 employees (246 contacts). Together, these represent 561 contacts, or approximately 57.8% of the list.

A Growing CFO Network

Our CFO contact list continues to grow through ongoing daily outreach and list-building efforts. The audience represented here is expected to expand over the coming days and weeks.
