Congratulations to this year's toys for talent toys Recipient!!

Throne Room Orphanage and Educational Center (TROEC)

I am Trey Carswell the Founder & CEO of Moon'k Films Devoted Production Studios. Every holiday season, my company hosts a one of a kind toy drive where we have talent and actors audition for upcoming projects. To audition, all talent must bring a toy to donate.

At Moon'k Films Devoted, we call this initiative, 'Toys 4 Talent'. The inaugural 'Toys 4 Talent' was held in our Washington, D.C. studio location in 2017 and since then has grown exponentially. We are now hosting auditions throughout the nation from Atlanta to New York City. All in the spirit of collecting toys for children who may be less fortunate than others.

Hundreds of talented actors come out and showcase their talent in hopes of landing a role in one of our future productions and they bring amazing toys with them. After collecting all the toys, our company's Event Director chooses a center for women and children for us to partner with and deliver the toys to.

This year, Baby Einstein Child development center was chosen for all the wonderful things your staff and administration do for the mothers and children of the DMV area. We appreciate your dedication to making these families feel as valuable as they are.

We bring you several huge Christmas bags filled with toys, on December 22, 2021. We know that you will make sure each child receive the necessary toys for a very Merry Christmas!

Attached are some photos from the toy drive and the production team that made all of this happen. Please find our social media information below so that you can stay in the know about all things Moon'k Films Devoted.

Thank you again for your beautiful contributions and dedication to both the DMV and the world at large.

Happy Holidays!
