

CERTIFICATE OF ANALYSIS

BATCH VERIFICATION

|              |              |
|--------------|--------------|
| BATCH        | SS-31        |
| Date         | 2026.3.21    |
| Purity       | 99.33%HPLC   |
| Heavy Metals | Non-detected |

TECHNICAL PROPERTIES

|                    |                                                                                                |
|--------------------|------------------------------------------------------------------------------------------------|
| Property           | SS-31(Szeto-Schiller/Elamipretide)                                                             |
| Product            | SS-31(Antioxidant, mitochondrial protection, anti-aging and heart health)                      |
| Identifiers        | CAS 736992-21-5                                                                                |
| Molecular Formula  | C <sub>32</sub> H <sub>49</sub> N <sub>9</sub> O <sub>5</sub>                                  |
| Molecular Weight   | 640.8/Da                                                                                       |
| Storage            | Powder stable 3 yrs (105°C),2 yrs(4°C),3 mo(25°C).Reconstituted:-80°C=6mo, -20°C=1mo,20°C=1wk. |
| Chemical Structure | D-Arg-Dmt-Lys-Phe-NH <sub>2</sub>                                                              |

TEST RESULTS

| Test Item      | Specification                        | Method           | Result               |
|----------------|--------------------------------------|------------------|----------------------|
| Appearance     | White to off-white lyophilized solid | Visual           | Conforms             |
| Purity(HPLC)   | ≥99 %                                | HPLC(C18,220 nm) | 99.33% @ RT=6.84 min |
| TFA Content    | ≤0.50%w/w                            | NMR              | Conforms             |
| Identification | Consistent with reference            | MS/NMR           | Pass                 |
