The Federal basic law or the Constitution of the United States (“COTUS”) with Federal equal protection of laws (“FEPOLs”) and Federal equal Justice under law (“FEJUL”) continues due process of law with no time limit until truthful Justice for valid truthisprudence (“TIP”) as the world’s first humane legacy to realize a crimefree society ends void truthless ruthless Injustices (“Justicides”) sold as Justice (“Scams”) for void jurisprudence (“JIP”)¹ abusing taxes.² Court-approved TIP¹ makes all jurists³ in all Courts⁴ at all levels¹ order mandatory restitutionary and disgorgement reliefs⁵ from scapegoaters⁶ to scapegoats. Use truthful lawyering.⁷ Protect women.⁸

End men’s void grand scheme of zealous lawyerings⁹ and policemen protecting rapists.¹⁰

Use this humane valid Court-approved memorandum of Justice (“MOJ”) officially authored with valid authorities in endnotes¹⁻¹⁰ by humane Law Offices of Lalit K Jain Esq (“LKJESQ”) scapegoated for 40+ years (“LKJMOJ”) for valid sustainable settlements, closures, decisions, orders and/or judgments (“DOJs”) to end void unsustainable settlements, closures, DOJs as solid proof of every creature’s respect for every Honorable Woman as the Creator.¹ It’s the basic law.

- ¹ “...[p20, L25] Court:...I [Judge] do find the defendant guilty...[p21, L2-3]...unless you want to be heard...MR JAIN: Yes...[p22, L10-18]...Parties step up real quick. (Whereupon a bench discussion was held [on TIP])...Court: After re-examining the statute more closely...as I reread it, many, many more times *my initial reading of it was incorrect*...[p23, L3-7]...I *have to* change my [guilty] verdict [as JIP] ... to not guilty [verdict to end JIP]...¶ Court Officer: You are free to go.”

People v Onuorah, Qns County Criminal Court 10.31.2013 Court Transcript Docket No. 2012QN040877. Please read this historic confession at www.TruthIsPrudence.Com why trial Courts “have to” use and make all appellate Courts also use TIP knowing that the Supreme Court of the United States (“SCOTUS”) Rule 10 rarely grants petitions when the asserted error consists of “erroneous factual findings or the misapplication of a properly stated rule of law [because always granting them will make state confirmed security (“SCS”) and good governments without traffickings...terrorisms end state created danger (“SCD”) and evil governments with traffickings...terrorisms].”

- ⁵ *Trial Courts using innate common sense to accept paternities/liabilities to end acquired nonsense to deny paternities/liabilities ordered DNA-tests overriding presumptions and estoppel arguments in recent cases like Joseph S. v Crystal B., 2021 NY Cy Ct, 73 Misc3d 1201, 152 NYS3d 288.*

- ¹ “But ... a contract [or law, settlement, etc. violating basic human rights to legitimate births, lives and deaths] may be held unconscionable without proof of actual fraud at its inception *if its enforcement would be [, and is,] unconscionable [like abuse of marriage and divorce (“MAD”) laws legislated by unimpregnable men as sex-predators to trap impregnable women who want to be become mothers, commit and sell criminal adulteries as civil out of wedlock sex, abuse* unscientific marriages that are 0% evidence as 100% evidence of paternities for scapegoating babies and mothers as *Scams* and *not use* solid scientific DNA-matches that are 99% evidence as 100% evidence of paternities *knowing that Justice mandates prosecuting and convicting those scapegoaters for sex crimes committed by them]*.” *Hume v US, 1889, 132 US 406, 410.*
- ³ “[571] ... *A society that empowers Judges to decide the fate of human beings and the disposition of property has the right to insist* [572] *upon the highest level of judicial honesty and integrity [using TIP]...A judge...shall [not may] conduct himself or herself at all times in a [caring] manner that promotes public confidence in the integrity and impartiality of the judiciary [using TIP]; ... Matter of Bailey, 67 NY2d, at 62-63.... [573] ... Rudolph L. Mazzei is deemed removed from the office...*” *Matter of Mazzei v State Commission on Judicial Conduct, 1993, Ct App, 81 NY2d 568, 571-573.*
- ⁴ “...where a court has jurisdiction, it has a right to decide [right] every question which occurs in the cause [using TIP] ... But if it act *without authority [not using TIP]*, its judgments and orders are regarded as *nullities*. They are not voidable but *simply void*...and all persons [even Sheriffs] ... executing such judgments or sentences are considered in law as *trespassers [in law (“Outlaws” and “Scofflaws”)]*.” *Elliott v Lessee of Piersol, 1828, 26 US 328, 340.*
- ¹ “[p251] ...Every case must, of course, depend on its own peculiar circumstances, and...[p252] In the case of *Michoud v Girod, [1846] 4 How 504*, lately decided in this Court, *transactions were investigated after a lapse of more than twenty years, but the facts proving the fraud were all on the record and were not disputed. The false accounts made out against the estate of the deceased by the executors were on file and their inequity [not using TIP] was apparent on their face [as Justicides]*.” *Hazel-Atlas Glass Co. v Hartford Empire Co., 1944, 322 US 238, 251-252.*
- ² “The judgment, *if void when rendered [or law when made] will always remain void;...*” *Pennoyer v Neff, 1878, 95 US 714, 728*; “A *void judgment [or law]* is a *legal nullity* and a court considering a motion to vacate has no discretion in determining whether it should be set aside *[to end corruptions ...]*. First, a void judgment *[or law]* is no judgment *[or law]* at all and *is without legal effect [violating TIP]*.” *Jordon v Gilligan, 6th Cir 1974, 500 F2d 701, 710.*
- ³ “... *Courts are constituted by authority and they cannot go beyond the power delegated to them*. If they act beyond that authority, and certainly in contravention of it, their judgments and orders *[or Justicides sold as Justice]* are regarded as nullities. *They are not voidable, but simply void, and this even prior to reversal. Elliott v Peirsol, [1828,] 1 Pet. 328, 26 US 340; Old Wayne Life Assn v McDonough, 204 US 8. Valley v Northern Fire & Marine Ins. Co., 1920, 254 US 348, 353-354.*
- ⁵ *The law, “which provides relief from void judgments, ... is not subject to any time limitation ... relief is not a discretionary matter; it is mandatory [for deterrent punitive awards and return to victims of SCD properties held in constructive and/or deemed trusts based on how long scapegoaters enjoyed and scapegoats endured life prevented by SCS (“Mandatory Restitution”)]*; ... *Orner v Shalala, Colo. 1994, Cir10, 30F3d 1307, 1310.* No deterrent punitive awards as Mandatory Restitution *by Courts* are “grossly excessive,” *TXO Production Corp. v Alliance Resources Corp., 1993, 509 US 443, 476, citing BFI, Inc. v Kelco Disposal, Inc., 1989, 492 US 257; In Limone v US, 2007, 815 FSupp2d 393.*
- ⁶ *Scapegoaters’ lies abused as people’s laws making Courts commit and sell Injustices as Justice will end when valid Court Orders make men end denying and begin accepting undeniable paternities just like women never deny but always accept undeniable maternities as the two sides of him-her sex.*¹
- ¹ Both sexes are born with *different* physical looks...colors. *Yet same* self-healing bodies to *use same* self-correcting brains, *safest common sense as safest common law* and *TIP will help all jurists of both sexes in all Courts at all levels to make safest judgments in all cases no matter how different they will always be since man’s above inhumane belief that Justice without delay is Injustice without delay is*

the origin and growth of men's acquired wrong thinking causing evil ripple effects: 24/7 crimes and Scams everywhere leaving no place safe to lie and die unless and until judicial end of belief in biased unsafe ancient illegal Scriptures rooted in undeniable paternity denials.

- ² *Use of irresistible LKJMOJ as unbiased safest modern Legal Scripture to end all other ancient and illegal Scriptures by ancient ancestors as sex-predators who invented scapegoating babies and mothers as an art to abuse unimpregnability of men making impregnable women live and die as men's sex-slaves proved by traffickings in sex, lex (Latin for law), humans, etc. since one, two, three, four or more scapegoatings as wrongs don't make a right that one right makes.¹*
- ³ *Universal natural law without scapegoating made 24/7 him-her sex irresistible for both sexes. Women endure and even die in 9-month pregnancies that men will never endure or die since sex to men means pleasure sowing their seeds with pregnancies as side effects on women not on men.*
- ⁴ *Sex makes every woman give every impregnator his own babies made from his seeds as Justice without delay misconceived as Injustice without delay by man for his pleasure. Women accept maternities as innate right thinking. Men in retaliation deny paternities as acquired wrong thinking making men as sex-predators the root cause of perpetual commission of Scams everywhere since time began.*
- ⁷ *All lawyers and Officers of the Court "have to"¹ help all Courts on their own motions or on motions by scapegoats to resurrect Justice in past cases and establish Justice in present and future cases.*
- ¹ *Scapegoats include in past case No 1 LKJESQ as a truthful benefits lawyer for Merrill Lynch. Congress used JIP, did not correct its own incorrect "at least 25 percent" by exact opposite correct "up to 25 percent" diversification of employer stock provisions improperly stated in Federal law 26 US Code § 401(a)(28)(B)(i) and made employers and Governments keep perpetuating wrongdoings.*
- ² *Scapegoats in past case No 2 are IViewIt Inventor, the United States Patent and Trademark Office and others for 30 plus years and still counting.*
- ³ *Scapegoats in past case No 3 are Jains for 30 plus years and still counting. TIP would have prevented repeated frauds on the Courts. Scofflaws are Architect Jassal, Village of Irvington building department ("BD"), NYS Court of Appeals in 1994 in Case No 1264 reported as 82 NY2d 920 in Jassal, et al v Jains, App Div 2nd Dep't in 1993 in Case No 90-7806 and Westchester County Supreme Court in 1990 in Index No. 21675/1985 Post-Trial 07.05.1990 34-page void misjudgment and collectors thereof. Courts found that Jains relied heavily on Jassal. Justice would have been established on 07.05.1990 by using Jassal's own hand-written one-page rider indemnifying himself for his own concealed malpractice as authentic proof of his own outrageous fraud upon the Court that is still in the record of the case. Courts used "demeanor of Jassal and Jain [not in the record] as they testified" to commit Justicides, made Jassal like guilty out of wedlock father win for Scamming Jains. Jassal and BD both concealed from Jains all law violations in issuing the building permit like out of wedlock fathers as criminal adulterers violating TIP concealed marriage law violations from babies and mothers.*
- ⁴ *Scapegoats in past case No 4 are Grillo, Joseph V and Melissa R: Suffolk County Supreme Court in 2020 in Index No. 614145/2018 in Grillo, Joseph V and Melissa R against Legister, Nicoleita. "[Page 4]...the court finds that service upon the defendant was improper...The Court is...constrained to dismiss the complaint without prejudice" making its Order void violating the SCOTUS mandate that "[314] [t]he fundamental requisite of due process of law is the opportunity to be heard...[a] notice reasonably calculated, under all the circumstances, to apprise interested parties of the pendency of the action and afford them an opportunity to present their objections...The notice must be of such nature as reasonably to convey the required information...and it must afford a reasonable time for those interested to make their appearance...But if, with due regard for the practicalities and peculiarities of the case, these conditions [315] are reasonably met, the constitutional requirements are satisfied [making dismissal of the case void]." Mullane v Central Hanover Bank & Trust Co., 1950, 339 US 306.*
- ⁵ *Scapegoats in past case No 5 are good faith safe deposit box renters forced by bad faith Chase Bank using zealous lawyers to settle for less in Queens County Civil Court in Index No. CV-019915-23/QU.*
- ⁶ *Scapegoats in present estate probate case No 6 are good faith occupant legatees of residential home enduring disrupted lives in their family using nonzealous lawyer LKJESQ while scapegoaters are bad faith nonoccupant legatee and executrix using zealous lawyers for scapegoatings in Queens County*

Supreme Court in Index No. 709420/2024 *ordering constitutionally void sale and partition of the property same as* Surrogate Court in Index Nos. 2022-5259 and 2022-5259/A.

⁸ “... *Protection of...women [as sisters, mothers, etc.] is a subject of special concern to the state [to end paternity denials]...Muller v Oregon (1908, 208 US 412, 421)...healthy mothers* are essential to vigorous offspring, the physical *[and most importantly mental]* well-being of woman becomes an object of *[utmost] public interest and care...to preserve the [good ending the evil] strength and vigor of the race [using TIP]...and legislation [if passed] designed for her protection may be sustained.* *People v Charles Schweinler Press, 1915, Ct App, Hiscock, J., Cardozo, J., 214 NY 395, 401, 402.*

⁹ “...But if you think it is terribly important that the case came out wrong, you miss the point of common law. In the grand scheme of things *[or scapegoatings] whether the right party won is really secondary.*” *Justice Scalia, 1997, A Matter of Interpretation, Federal Courts and the Law, P6.*

¹ “... when an *[injured]* is *well represented [pro se or by truthful lawyers], a lawyer can be a zealous [truthless ruthless] advocate* [on behalf of *[injurer as]* a client and at the same time *assume* that *Justice is being done [while perpetuating].*” *Model Rules of Professional Conduct A Lawyer’s Responsibilities*, American Bar Association (“ABA”), *void Rule 8 crucifying trust, faith and belief.*

² “*A lawyer’s duty is to aid any effort under the court’s direction to root out corruption and fraud [with truthful lawyering and leadership rooted in TIP welcome by all Courts to remember that sacred biology needs men for minutes to impregnate but women for 9 months to deliver babies. Let everyone live in peace and rest in peace in every nation no matter how different they are because men will keep regretting having masterminded JIP in retaliation against women. End all Scams].*”

³ “[W]hile an attorney should represent his client interest with singular loyalty, *that loyalty obviously does not demand that he act dishonestly or fraudulently [using void ABA Rule 8^{8.1}]*; on the contrary, his loyalty to the Court, *as an officer of the Court, demands integrity and honest dealing with the Court.* And when he departs from the standard...*he perpetrates fraud upon a court [and makes the Court commit a fraud upon the Court, commit Justicides and lose all self-respect] ...* (ci[ting] cases). *Demjanuk v Petrovsky, 1993, 6th Circuit, 10 F3rd 338, 352.*

¹⁰ “...*if two policemen [with(out) guns or badges] see a rape [inflicting irreversible injuries]* and watch it just for *their own amusement, no violation* of the ...*COTUS [as men’s evil common law as common lie used as good tradition perpetuated by the highest SCOTUS in 1989, effectively repealed in 2013 by the lowest Onuorah Court, same as in Michael H. v. ¹ *Protecting criminal rapists inflicting serious lifetime injuries but ticketing civil motorists not even causing injuries and penalizing buyers for late payments but not sellers for late services prove abuse of judicial discretion, bias and even the SCOTUS violating TIP, COTUS, FEJUL, FEPOLs, etc. using laws as tools to be wrongdoers for the unsafest freedom instead of rightdoers for the safest freedom.*

² “*It has to be stated* that though the accused *[and convicted rapists]* have not used any external weapon *[like a gun, knife, bomb, etc.], they have used most powerful personal weapon, i.e. penis [as a 24/7 jack-hammer]* with which each one of them have caused the most grievous injuries not only to the body of *[a woman] but also to her mind [as proof of men’s evil sold as good penile-senile-sovereignties].*” *http://tinyurl.com/plghcp2, read ¶336, page 202, 232-page Decision of Apr 04, 2014 by jurist Dr Mrs Phansalkar-Joshi In the Sessions Case No 846 of 2013 titled The State of Maharashtra, Complainant v Vijay Mohan Jadhav aka Nanu, 18, et al., Accused.*
