Scapegoatings or undeniable paternity and liability denials as truthless ruthless presumptions (“Negative Freedom”), negative ripple effects, miscarriages of Justice or truthless ruthless Injustices (“Justicides”), and void jurisprudence (“JIP”) made unbiased memo of Justice (“UNBMOJ”) inviolable advocacy for the Constitution of the United States (“COTUS”) as the inviolable mandate for truthful presumptions (“Positive Freedom”), positive ripple effects, truthful Justice, and valid truthisprudence (“TIP”), a clear crystal ball, to enforce Federal equal protection of laws (“FEPOLs”) and Federal equal Justice under law (“FEJUL”) and turn off the inertia of Presidents, Kings and People as the main switch that prevents TIP to end JIP.¹ Thanks.

[1] *Enforce positive laws like “... no one shall be permitted to...take advantage of his own wrong. (Riggs v Palmer, [1889] 115 NY 506),” Emperor Realty Co. v Tull, 1920, Cardozo, Ct App., 228 NY 447, 457 instead of the Nov 2, 1988 DeShaney negative oral-argument hypothetical by CJ Rehnquist that it is no violation of the COTUS “...if two policemen ... [watched] a rape ... just for their own amusement [to protect criminal rapists inflicting irreversible injuries, even pregnancies but ticket civil motorists to pay fines not inflicting injuries violating the FEPOLs and FEJUL]...([insane] laughter).” See p46 of May It Please the Court ... Transcripts of...Landmark Cases before the SCOTUS.¹*

[2] *End immunities for “...persons [even Sheriffs]...executing...[void decisions, orders, and/or judgments (“DOJs”)] or sentences...considered in law as trespassers [in law (“Outlaws”) for maximized rightdoings to minimize, even prevent, wrongdoings].” Elliott v Lessee of Piersol, 1828, 26 US 328, 340.*

[3] *Give “...relief from void [DOJs]...[within a “reasonable time”, Coney Island Auto Parts Unlimited, Inc. v. Burton 2026, 607 US ___ because it is] mandatory [not a discretionary matter] for effectively deterrent punitive awards and return of properties held in constructive or deemed trusts to scapegoats based on time scapegoaters enjoyed and scapegoats endured lives (“Mandatory Restitution”) since effectively deterrent punitive awards are never “grossly excessive.” TXO Production Corp. v Alliance Resources Corp., 1993, 509 US 443, 476, citing BFI, Inc. v. Kelco Disposal, Inc., 1989, 492 US 257; In Limone v US, 2011, 815 FSupp2d 393.], Orner v Shalala, Colo. 1994, Cir10, 30F3d 1307, 1310.*

[4] [p251] *“...Every case must, of course, depend on its own peculiar [facts and] circumstances, and ... [p252] In the case of Michoud v Girod, [1846] 4 How 504,..., transactions were investigated after...more than twenty years, but the facts proving the fraud were all on the record and were not disputed. The false accounts made out against the estate...by the executors were on file and their inequity was apparent on their face.” Hazel-Atlas Glass Co. v Hartford Empire Co., 1944, 322 US 238, 251-252.*

[5] *Use DNA-matches that are 99%, not marriages that are 0%, evidence as 100% evidence of paternities so valid positive ripple effects of sex to unite and serve as Positive Freedom prevent void negative ripple effects of sex to divide and rule as Negative Freedom. Woodland v Kirkham, 2022 ONSC 1393 (CanLII).*

(Whereupon a bench discussion was held [to end scapegoatings])...Court: After re-examining the statute more closely...as I reread it, many, many more times my initial reading of it was incorrect...[p23, L3-7]...I have to change my [guilty] verdict [as scapegoating]... to not guilty [verdict]...¶ Court Officer: You are free to go.”
