Unbiased Memo of Justice ("UNBMOJ") Dated 04.01.2026 Updated 04.15.2026

Neither individuals nor government officials like leaders, courts, judges, etc. are perfect or above the law. *All fallible yet correctible humans make all Courts use this not binding yet sustainable advocacy UNBMOJ without overreaching. Remove the common denominator of lie as truth, lie as law, etc. costing sextillions. On a case-by-case basis, enforce the Constitution of the United States ("COTUS") with guarantees of Federal equal protection of laws ("FEPOLs") and Federal equal Justice under law ("FEJUL"). Use proper evidences for decisions, orders and/or judgments ("DOJs") for valid truth-based truthisprudence ("TIP"). Correct discretionary acts abusing arbitrary power, tyranny, etc. causing scapegoatings or miscarriages of Justice ("Justicides") for void lies-based jurisprudence ("JIP"). Now end the vicious cycle of profitable wrongdoings.*¹

Lalit K Jain or Learn and live in truth knowing Justice always insures nature *without* a fools' day.

Lalit K Jain

¹ "...[p20, L25] Court:...I [Judge] do find the defendant guilty...[p21, L2-3] unless you want to be heard...MR JAIN: Yes...[p22,L10-18]...*Parties step up real quick.* (Whereupon a bench discussion was held [to end scapegoatings])...Court: After re-examining the statute more closely...as I reread it, many, many more times *my initial reading of it was incorrect*...[p23,L3-7]...I *have to* change my [guilty] verdict [as scapegoating]... to not guilty [verdict]...¶ Court Officer: You are free to go."

This 10.31.2013 trial Court Transcript of People v Onuorah, Queens County Criminal Court Docket No. 2012QN040877 proves that UNBMOJ is a citable advocacy. Visit www.TruthIsPrudence.Com.

¹ *Enforce positive laws like "... no one shall be permitted to...take advantage of his own wrong. (Riggs v Palmer, [1889] 115 NY 506), "Imperator Realty Co. v Tull, 1920, Cardozo, Ct App., 228 NY 447, 457 instead of the Nov 2, 1988 DeShaney negative oral-argument hypothetical by CJ Rehnquist that it is no violation of the COTUS "...if two policemen ... [watched] a rape ... just for their own amusement [to protect criminal rapists inflicting irreversible injuries, even pregnancies, but ticket civil motorists to pay fines for not inflicting injuries violating the FEPOLs and FEJUL]...(insane) laughter)." P46, May It Please the Court ... Transcripts of...Landmark Cases before the SCOTUS.*¹

² *End immunities for "...persons [even Sheriffs]...executing...[void DOJs] or sentences...considered in law as trespassers [in law ("Outlaws"])." Elliott v Lessee of Piersol, 1828, 26 US 328, 340.*

³ *Give "...relief from void [DOJs]...[within a "reasonable time", Coney Island Auto Parts Unlimited, Inc. v. Burton 2026, 607 US ___ because it is] mandatory [not a discretionary matter] for effectively deterrent punitive awards and return of properties held in constructive or deemed trusts to scapegoats based on time scapegoaters enjoyed and scapegoats endured lives ("Mandatory Restitution") since effectively deterrent punitive awards are never "grossly excessive." TXO Production Corp. v Alliance Resources Corp., 1993, 509 US 443, 476, citing BFI, Inc. v. Kelco Disposal, Inc., 1989, 492 US 257; In Limone v US, 2011, 815 FSupp2d 393.], Orner v Shalala, Colo. 1994, Cir10, 30F3d 1307, 1310.*

⁴ [p251] *"...Every case must, of course, depend on its own peculiar [facts and] circumstances, and ... [p252] In the case of Michoud v Girod, [1846] 4 How 504,..., transactions were investigated after...more than twenty years, but the facts proving the fraud were all on the record and were not disputed." ... Hazel-Atlas Glass Co. v Hartford Empire Co., 1944, 322 US 238, 251-252.*

⁵ *Correct the incorrect course of man's history. Use DNA-matches that are 99%, not marriages that are 0%, evidence as 100% proof of paternities, so valid positive ripple effects of sex like maximized rightdoings to minimize, even prevent, wrongdoings. Woodland v Kirkham, 2022 ONSC 1393.*
