ARTICLE V: COVENANT FOR MAINTENANCE ASSESSMENTS

(5. 1) Purpose of Assessment. The assessments levied by the Association shall be used: (a) to provide funds for maintenance, upkeep, landscaping and beautification of the Common Area in Woodlands Creek; (b) to provide services for the Association members to promote the health, safety and welfare of the residents of Woodlands Creek, and in particular for the acquisition, improvement and maintenance of properties, services and facilities related to the use and enjoyment of the Common Areas, including but not limited to the cost of repair, replacement and additions thereto; (c) for the payment of taxes assessed against the Common Area, for insurance related to the Common Area, for the employment of attorneys, accountants and other professionals to represent the Association when necessary or useful, the employment of security personnel; and (d) the provision of any service which is not readily available from any governmental authority related to the use, occupancy and enjoyment of the properties and which the Association shall decide to provide. The purposes for which assessments may be levied shall include payment for utilities necessary to accomplish the foregoing purposes.

(5.2) Budgeting and Allocating Common Expenses. At least 15 days before the beginning of each fiscal year, the Board shall prepare a proposed budget of the estimated expenses for the operation of the Association and the Operation and maintenance of the Common Areas for the coming year. The budget shall also reflect the sources and estimated amounts of funds to cover such expenses, which may include any surplus to be applied from prior years, any income expected from sources other than assessments levied against the Lots, and the amount to be generated through the levy of Annual Assessments and Special Assessments against the Lots, as authorized in Section 5.6.

The Association is hereby authorized to levy Annual Assessments equally against all Lots subject to assessments to fund the Common Expenses. In determining the Annual Assessment rate per Lot, the Board may consider any assessment income expected to be generated from any additional Lots reasonably anticipated to become subject to assessment during the fiscal year.

The Developer may, but shall not be obligated to, reduce the Annual Assessment for any fiscal year by payment of a subsidy (in addition to any amounts paid by Developer under Section 5.3), which may, in the Developer's discretion, either be a contribution, an advance against future assessments due from the Developer, or a loan. Any such subsidy shall be disclosed as a line item in the income portion of the budget. The payment of such subsidy in any year shall not obligate the Developer to continue payment of such subsidy in future years, unless otherwise provided in a written agreement between the Association and the Developer.

Within thirty (30) days after adoption of any proposed budget, the Board shall provide to all the lot owners a summary of the budget and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. The Board shall set a date for a meeting of the lot owners to consider ratification of the budget, such meeting to be held not less than ten (10) nor more than sixty (60) days after mailing of the summary and notice. There shall be no requirement that a quorum be present at the meeting. The budget is ratified unless at that meeting sixty-seven percent (67%) of all the lot owners in the association rejects the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the lot owners shall be continued until such time as the lot owners ratify a subsequent budget proposed by the Board.

If the Board fails for any reason to determine the budget for any year, then the budget most recently in effect shall continue in effect until a new budget is determined.

(5.3) Creation of the Lien and Personal Obligation of Assessments. The Developer, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a Deed therefor, whether or not it shall be so expressed in said Deed, is deemed to covenant and agree to pay to the Association:

(a) Annual assessments ("Annual Assessments") as established in Section 5.2 for the purposes specified in Section 5.1 which shall be paid annually on or before January 1st of each year.

(b) Special assessments ("Special Assessments") as may be established in Section 5.6 for the purposes specified in Section 5.1 as may be approved by the members, to be established, and collected as provided herein.

For any annual or Special Assessment which remains unpaid for a period of thirty (30) days, in order to secure payment of the Annual and Special Assessments, such charges as may be levied by the Association against any Lot, together with interest, fines, late charges, costs of collection and reasonable attorneys' fees, shall be a continuing lien upon the Lot against which each such assessment or charge is made. Each such assessment, together with interest, fines, late charges, costs of collection and reasonable attorneys' fees shall also be the personal obligation of the person who is the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successor in title unless expressly assumed by them. Such assumption shall not relieve an Owner of his obligations.

(5.4) Exempt Property. The assessments, charges and liens created under this Article shall not apply to the Common Area, nor shall they apply to any Lot the title to which is vested either in any first mortgagee subsequent to foreclosure or in the Secretary of Housing and Urban Development or the Administrator of Veterans Affairs or any other state or federal governmental agency which acquired title by reason of such agency's guarantee or insurance of a foreclosed mortgage loan; provided, however, that upon the resale of such property by such first mortgagee or such governmental agency the assessment shall again accrue on such Lot. Any Lot which Developer may hereinafter designate for common use as part of the Common Areas shall also be

exempt by a local public authority, and all land granted to or used by a utility company shall be exempt from the assessments created herein.

(5.5) Maximum Annual Assessments. Until January 1st of the year immediately following the conveyance of the first lot to an owner the maximum Annual Assessment shall be Six Hundred Dollars (\$600.00) on each Lot. Annual Assessments may only be increased in accordance with the following:

(a) From and after January 1, of the year immediately following the conveyance of the first lot to an owner, the maximum Annual Assessment may be increased each year not more than ten percent (10%) above the maximum Annual Assessment for the previous year without a vote of the membership.

(b) From and after January 1, of the year immediately following the conveyance of the first lot to an owner, the maximum Annual Assessment may be increased above ten percent (10%) of the previous year's Annual Assessment by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the Annual Assessment at an amount not in excess of the maximum herein provided.

The Annual Assessments shall be paid as provided in Subparagraph 5.3(a).

(5.6) Special Assessments. In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to that year only provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of the Association members who are voting in person or by proxy at a meeting duly called for this purpose.

(5.7) Date of Commencement of Annual Assessments; Due Dates; Certificate of Payment. The Annual Assessments shall commence as to all Lots on the first day of the month following the date such property is submitted to the provisions of this Declaration. From the date on which the Annual Assessments commence on a Lot until the date on which the Lot is sold by the Developer to a purchaser, the Developer and all other Class B members shall be liable for Annual Assessments at a rate which is one-tenth (1/10) of the rate otherwise payable. The first Annual Assessment shall be adjusted according to the number of days remaining in the calendar year when filed. The Association shall, upon demand for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid to date.

(5.8) Effect of Non-Payment of Assessment; Remedies of the Association. Notwithstanding Section 5.7 hereof, the Developer may, at its election, postpone in whole or in part the date on which the assessment shall commence provided that the Developer maintains the Common Area for which no assessment is being collected during the period of such postponement. Any assessment not paid within thirty (30) days after the due date shall be assessed a late charge as determined by the Board of Directors and bear interest from the due date at an annual rate of eighteen percent (18%) but in no event above the then maximum legal rate, and to the extent allowed by law. The Association, or its agent or representative, may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the Lot to which the assessment relates, and interest, costs and reasonable attorneys' fees for such action or foreclosure shall be added to the amount of such assessment to the extent allowed by law. No Owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the Common Area, abandonment of his Lot or for any other reason.

(5.9) Subordination of the Lien to First Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first priority deed of trust or first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any first mortgage pursuant to a foreclosure thereof or under a power of sale or any proceeding in lieu of foreclosure thereof shall extinguish the lien of such assessment as to payment which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof.

ARTICLE VI: USE RESTRICTIONS

(6.1) Use of Common Areas. No planting or gardening by individual Owners shall be done upon any Common Area. Except for the right of easement of enjoyment in and to the Common Areas herein given to each Owner, Owners are hereby prohibited and restricted from using any of the Common Area except as may be allowed and prescribed by the Association's Board of Directors or as expressly provided for herein. Clotheslines shall not be used nor permitted to be erected or placed on any lot.

(m) Radio and Television Antennas. No freestanding radio or television transmission or reception towers, antennas, dishes or discs shall be erected on a lot. Only one radio and one television antenna attached to the residence not exceeding five (5) feet in height above the roofline of the residence and only one (1) dish attached to the house not exceeding one (1) meter in diameter not visible from the street in front of the residence shall be permitted.

(n) Commercial Vehicles, Buses, Boats, Etc. In addition, no vans or trucks with business logos or ladder racks, no boats, campers, trailers, tagless or junk vehicles shall be placed, parked or stored upon any lot, except within an enclosed garage. No maintenance or repair of any vehicle or trailer may be performed upon any lot except within the garage and totally isolated from public view.

(o) Basketball Goals Within Road Right-of-Way. No basketball goal shall be erected or allowed to remain within the right-of-way of any street located within the Submitted Property.

(p) Covenants Independent of One Another. Invalidity of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

(q) Limitations. It is distinctly understood and agreed that nothing herein contained shall be taken and construed as imposing any conditions or restrictions upon any land not specifically covered by these restrictions.

(r) Sale of Unimproved Lot. Before any unimproved lot may be sold or resold to any person, firm, or corporation by any owner or owners thereof except to Developer, the owner or owners of such lot first shall offer in writing to sell the lot to Developer, at the same price for which said lot was sold originally by Developer, to such owner or owners or to his, her or their predecessor or predecessors in title. Said offer must be mailed by certified mail, return receipt requested. If Developer does not accept or reject in writing said offer of sale within fifteen (15) days from the date of receipt of the same, the then owner or owners of such lot shall have the right to sell the same without any further or additional offer to Developer.

(s) Trees. No tree or shrub, the trunk of which exceeds two (2) inches in diameter at one foot above natural grade, shall be cut down or otherwise destroyed without the prior express written consent of the ARB.

(t) Artificial Vegetation. No artificial grass, plants or other artificial vegetation shall be placed or maintained upon the exterior portion of any lot, unless approved by the ARB.

(u) Landscaping. A basic landscaping plan for each dwelling must be submitted to and approved by the ARB.

(v) Miscellaneous. No weeds, underbrush or other unsightly growths shall be permitted to grow or remain upon any lot, and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon; and in the event that any Lot Owner shall fail or refuse to keep the Lot Owner's lot free of weeds, underbrush or refuse piles, or other unsightly growths or objects, then the Association may enter upon said lot and remove the same at the expense of the Lot Owner, and such entry shall not be deemed a trespass.

(w) Necessary Exceptions for Development. Developer, or the agents of Developer, shall undertake the work of developing all lots included within the subdivision. The completion of that work and the sale, rent, or other disposition of residential units is essential to the establishment and welfare of the subdivision as an on-going residential community. In order that such work may be completed and the subdivision established as a fully-occupied residential community as soon as possible, nothing in this

Declaration shall be understood or construed to prevent the Developer, Developer's agents or transferees, or the employees, contractors of sub-contractors of Developer, from doing whatever Developer may determine to be reasonably necessary or advisable for the completion of the work and the establishment of the subdivision as a residential community. Lot Owners, upon commencement of construction of any residence, dwelling unit or other structure, which is not prohibited by this Declaration, shall pursue the performance of any construction diligently and continuously until completion of the structure involved. As used in this subparagraph, the words, "its transferees" specifically exclude purchasers of lots improved with completed residences.

(6.3) Permanent Architectural Control. After completion of the construction of the dwelling located on any Lot as approved by the ARB, no building, fence, wall, or other structure shall be commenced or maintained upon the lot, nor shall any exterior addition to or change or alteration to the dwelling be made, including the erection of antennas, aerials, awnings, the replacement of reflective or other material in the windows of a dwelling or other exterior attachment, until the plans and specifications showing the nature, kind, shape, heights, materials, and locations of the same shall have been submitted to and approved in writing as to the harmony of external design and location in relation to surrounding structures and topography by the Architectural Review Board composed of three or more representatives appointed by Developer or by the Board of Directors, once Developer assigns to it the right of appointment hereunder. In the event the ARB fails to approve or disapprove such design and location within 30 days after said plans and specifications have been submitted to it, approval will not be required, and this paragraph 6.3 will be deemed to have been fully complied with. However, nothing herein shall authorize anyone to construct, modify or maintain any structure or improvement that is otherwise in violation of this Declaration or Governmental Requirements. The Architectural Review Board shall have the right to charge a reasonable fee, payable to the Association, for receiving such application in an amount not to exceed \$100.00. The Architectural Review Board shall not approve any alterations, decorations, or modifications which would jeopardize or impair the soundness, safety or appearance of any Lot. Refusal or approval of plans, specifications, builder or location may be based upon any grounds including purely aesthetic considerations, which in the sole and uncontrolled discretion of the Architectural Review Board shall be deemed sufficient. Provided that nothing contained herein shall be construed to permit interference with the development of the properties by the Developer in accordance with its general plan of development.

ARTICLE VII: EASEMENTS

(7.1) General. Each Lot now or hereafter subjected to this Declaration shall be subject to all easements shown or set forth on the recorded plat or plats of survey upon which such Lot is shown. No structure of any type shall be erected or placed upon any part of a Lot or the Common Area which shall interfere with rights and use of any and all easements shown on said recorded plat.

(7.2) Utility and Drainage. An Easement on each Lot is hereby reserved by Developer for itself and its successors and assigns along, over, under and upon a strip of land ten (10) feet in width along the rear lot lines of all Lots shown on the recorded plats, and easements five (5) feet in width along the front and side lot lines of all Lots shown on recorded plats, in addition to such other easements as may appear on a recorded subdivision plat for Woodlands Creek. The purposes of these easements shall be to provide, install, maintain, construct and operate drainlines to, from or for each of the Lots. Within these easements no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation or maintenance of utilities, or which may change the direction or flow or drainage channels in the easements except for party walls located on a portion of the side line or lines of a Lot. The easement area of each and all improvements in it shall be maintained continuously by Owner, except for those improvements for which a public authority or utility is responsible. With ten (10) days' prior written notice to Owner, Developer may

exercise the right to remove obstructions in such easements upon Owner's failure to do so. For the purpose of this covenant, Developer reserves the right to modify or extinguish the herein reserved easements along any Lot lines when in its sole discretion adequate reserved easements are otherwise available for the installation of drainage facilities and/or utility service lines. For the duration of these restrictions, no such utilities shall be permitted to occupy or otherwise encroach upon any of the easement areas reserved without first obtaining the prior written consent of Developer; provided, however, local service from utilities within easement areas to residence constructed upon any such lots may be established without first obtaining separate consents therefor from Developer. The Association may likewise reserve and grant easements for the installation and maintenance of sewerage, utility and drainage facilities in, across, under and over the Common Area.

(7.3) Control of Signs. Developer shall have the right to place permanent and temporary directional and advertising signs for Woodlands Creek on the Common Area and unsold Lots and within street rights-of-way until one hundred percent (100%) of the Lots have been sold.

(7.4) Emergency. There is hereby reserved without further assent or permit and to the extent allowed by law, a general easement to all firemen, ambulance personnel, policemen and security guards employed by Developer and all similar persons to enter upon the Properties or any portion thereof in the performance of their respective duties.

(7.5) Municipal Easement. A general easement of access is granted to all utility providers, into, over and through each Lot for the purpose of maintaining, repairing and servicing the utility lines located on said Lot and for providing municipal services to which said Lot is entitled.

ARTICLE VIII: ARCHITECTURAL CONTROL

TO PRESERVE THE BEAUTY, QUALITY AND VALUE OF THE NEIGHBORHOOD

(8.1) Necessity of Architectural Review and Approval. No dwelling, improvement or structure of any kind, including, without limitation, any building, fence, wall, swimming pool, tennis court, screen enclosure, sewer, drain, disposal system, decorative building, landscape device or object, or other improvement shall be commenced, erected, placed or maintained upon any lot, nor shall any addition, change or alteration therein or thereof be made, unless and until the plans, specifications and location of the same shall have been submitted to, and approved in writing by the Architectural Review Board ("ARB"). All plans and specifications shall be evaluated as to harmony of external design and location in relation to surrounding structures and topography and as to conformance with the Architectural Planning Criteria of the Developer, a copy of which is attached hereto as Exhibit "D" and incorporated herein by reference. The Architectural Review Board shall examine the plans to ensure that dwelling improvements or structures comply with the guidelines set forth in the Architectural Planning Criteria and building procedure.

(8.2) Architectural Review Board. The architectural review and control functions shall be administered and performed by the Architectural Review Board ("ARB"), which shall consist of three (3) members, who need not be members of the Association. The Developer shall have the right to appoint all of the members of the ARB, or such lesser number as Developer may choose, as long as Developer owns at least one lot in Woodlands Creek. Members of the ARB as to whom Developer may relinquish the right to appoint, and all members of the ARB after Developer no longer owns at least one lot in Woodlands Creek, shall be appointed by, and shall serve at the pleasure of the Board of Directors of the Association. A majority of the ARB shall constitute a quorum to transact business at any meeting of the ARB, and the action of a majority present at a meeting at which a quorum is present shall constitute the action of the ARB. Any vacancy occurring on the ARB because of death, resignation, or other termination of service of any member thereof shall be filled by the Board of Directors of

the Association; except that Developer, to the exclusion of the Association, shall fill any vacancy created by death, resignation, removal or other termination of services of any member of the ARB appointed by Developer. Developer reserves the right to transfer or assign the duties and functions of the ARB to the Association.

(8.3) Powers and Duties of the ARB. The ARB shall have the following powers and duties:

A. To recommend, from time to time, to the Association modifications and/or amendments of the Architectural Planning Criteria. Any modification or amendment to the Architectural Planning Criteria shall be consistent with the provisions of this Declaration, and shall not be effective until adopted by a 75% majority of the Lot Owners (members) of the Association at a meeting duly called and noticed and at which a quorum is present and voting. Notice of any modification or amendment to the Architectural Planning Criteria, including a verbatim copy of such change or modification, shall be delivered to each Lot Owner (member) of the Association; provided that, the delivery to each Lot Owner (member) of the Association of notice and a copy of any modification or amendment to the Architectural Planning Criteria shall not constitute a condition precedent to the effectiveness or validity of such change or modification.

B. To require submission to the ARB of two (2) complete sets of all plans and specifications for any improvement or structure of any kind, including, without limitation, any dwelling, building, fence, wall, swimming pool, tennis court, enclosure, sewer, drain, disposal system, decorative building, landscape device or object, or other improvements, the construction or placement of which is proposed upon any lot in Woodlands Creek. The ARB may also require submission of samples of building materials proposed for use on any lot, and may require such additional information as reasonably may be necessary for the ARB to completely evaluate the proposed structure or improvement in accordance with this Declaration and the Architectural Planning Criteria.

C. Using the Architectural Planning Criteria as its guide, to approve or disapprove any improvement or structure of any kind, including without limitation, any building, fence, wall, swimming pool, tennis court, screen enclosure, sewer, drain, disposal system, decorative building, landscape device or object, or other improvement or change or modification thereto, the construction, erection, performance or placement of which is proposed upon any lot in Woodlands Creek, and to approve or disapprove any exterior additions, changes, modifications or alterations therein or thereon. All decisions of the ARB shall be in writing. Nothing herein or the approval granted by the ARB for construction shall constitute or be construed as an approval by ARB of the structural design, stability or quality of any dwelling, building or improvement.

D. After Developer has assigned the ARB duties and functions to the Association, the Association may adopt a schedule for reasonable fees for processing requests for ARB approval of proposed improvements. Such fees, if any, shall be payable to the Association, in cash, at the time that plans and specification are submitted to the Association.

ARTICLE IX: GENERAL PROVISIONS

(9.1) Covenants Running with the Land. All provisions of this Declaration shall be construed to be covenants running with the land, and with every part thereof and interest therein, and every Owner or any other person or legal entity claiming an interest in any Lot, and his heirs, executors, administrators, successors and assigns, shall be bound by all of the provisions of this Declaration.

(9.2) Duration. The covenants, conditions and restrictions of this Declaration shall be binding for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive and additional periods of ten (10) years each.

(9.3) Amendment. This Declaration may be amended or terminated by an instrument signed by not less than sixty-seven percent (67%) of the Class A Owners and all of the Class B owners subject to the following conditions:

(a) All additions or amendments must be consented to by Developer in writing so long as Developer is the owner of any lot in the development;

(b) Notwithstanding anything in this Section 8.3 to the contrary, Developer may, at Developer's option, amend this Declaration without obtaining the consent or approval of any other person or entity if such amendment is necessary to cause this Declaration to comply with the requirements of the FHA, VA, the Federal National Mortgage Association or other similar agency;

(c) No amendment shall become effective until the instrument evidencing such change has been filed of record in the Union County Public Registry.

(9.4) FHA/VA Approval. In the event the Developer, its successors or assigns, has arranged for and provided purchaser of Lots with FHA insured or VA mortgage loans, then as long as any Class B lot exists, as provided in Article VI hereof the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: annexation of additional properties, other than as provided in Article II hereof, deeding, mortgaging or dedication of Common Area to persons other than the Association and amendment of this Declaration.

(9.5) Enforcement. If any Owner shall violate or attempt to violate any of these restrictions, failure to comply with any of the same shall be grounds for an action to recover sums due, for damages or injunctive relief, or both, maintainable by the Board of Directors on behalf of the Association, or, in proper case, by an aggrieved Owner. Any failure by Association or any other Owner to enforce any of the foregoing restrictions or other provisions shall in no event be deemed a waiver of their right to do so thereafter. Invalidity of any covenant, condition or restriction or other provision of this Declaration shall not affect the validity of the remaining portions thereof which shall remain in full force and effect.

(9.6) Headings. Headings are inserted only for convenience and are in no way to be construed as defining, limiting, extending or otherwise modifying or adding to the particular paragraphs to which they refer.

(9.7) Unintentional Violation of Restrictions. In the event of unintentional violation of any of the foregoing restrictions with respect to any Lot, the Developer or its successors reserves the right (by and with the mutual written consent of the then Owner or Owners of such Lot) to change, amend or release any of the foregoing restrictions as the same may apply to that particular Lot.

(9.8) Severability. The provisions of this Declaration are severable and the invalidity of one or more provisions hereof shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder hereof.
